Emily Morgan

Founder and CEO, Delegate Solutions
2400 Market Street, Philadelphia, PA 19103
814-367-3827
emily@delegatesolutions.com
www.delegatesolutions.com
@delegateinc

Emily Morgan and her remote team help leaders and their teams to strategically clear their plates so they can focus on higher-impact activities! She is the founder of Delegate Solutions, a Strategic Support™ Firm and the designer of the "Delegate Method" which helps leaders identify areas of their work they can delegate or automate for maximum efficiency. She's helped hundreds of busy entrepreneurial leaders master delegation and design systems to support and grow their awesome businesses! This year alone, her team has cleared over 30,000 hours of tasks off the plates of overwhelmed business owners. Emily speaks nationally on the topic of virtual business, delegation, remote workforces, and flexwork culture. She's is the Philly Chamber of Commerce Small Business Person of the Year and has been featured in CNBC, Forbes, Inc., HuffPo, NY Times, and NBC News. She is a Goldman Sachs 10kSB alum and is a graduate of UPenn. Delegate Solutions recently ranked among the top 100 fastest-growing companies in Philly!

Patty Tawadros

Founder and CEO, Studio x
1131 Radnor Hill Road
Wayne, Pa 19087

company with headquarters in Wayne, PA and development teams abroad. In 2006, Patty bought out her partners to become a 100% woman-owned business. After completing the Goldman Sachs 10,000 Small Business program in 2016, she led her team to two Philadelphia 100 wins in 2018 and 2019 with year over year growth of more than 45%. In 2019, studio x. launched Brambaly, the growth opportunity she identified for her company during the GS10KSB program. This new offering has the Studio x. team poised for exponential growth.

As founder and CEO of Studio x., Patty has built a brand recognized for creative design solutions and outstanding customer service. Clients rely on Studio x. to deliver innovative, feature-rich web sites, memorable marketing solutions and unmatched reliability.
